PROJECTS

Online Event Management System

- Developed a simple web-based application using HTML, CSS, and JavaScript.
- Includes two modules: User Module and Admin Module.
- User Module: Allows users to view and register for events.
- Admin Module: Manages event creation, updates, and registrations.

Fasto- AI Integrated Courier Service

- Developed a web-based AI-integrated courier service application using HTML, CSS, JavaScript, Python, and the Django framework.
- The system includes User and Admin modules.
- Users can book courier services and track shipment status in real time.
- Admins manage bookings and update delivery operations.

PROFILE

"I'm R. Deebith, a passionate and dedicated graphic designer with a commitment to delivering creative and impactful designs. I approach every project with sincerity and a strong work ethic, constantly striving for excellence. Currently, I am seeking an opportunity to contribute my skills and grow within a dynamic team."

WORK EXPERIENCE

Deepam Graphics 2024-2025 Product Packaging Designer (APR-MAR)

- Designed innovative and visually appealing product packaging that effectively communicated brand identity and attracted target audiences.
- Collaborated with clients and internal teams to develop packaging concepts, ensuring functionality, durability, and compliance with industry standards.
- Delivered high-quality designs within deadlines, utilizing creative software and staying updated on packaging trends to meet market demands.

Profenaa Technologies 2025 Video Editor (APR-NOV)

- Edited and produced high-quality videos for various projects, ensuring alignment with client requirements and brand guidelines.
- Collaborated with creative teams to develop engaging visual content, optimizing video quality and enhancing storytelling.
- Utilized advanced editing tools and techniques to deliver polished outputs within tight deadlines, maintaining consistent attention to detail.

Sarasvathi Flex 2025-2026 Flex Designer (DEC-MAR)

- Worked as a Flex Designer and Machine Operator, responsible for creating visually appealing flex designs for various marketing and branding needs.
- Operated and maintained flex printing machines to ensure high-quality output and timely delivery. Collaborated with clients and the production team to meet design specifications and deadlines.
